

# AKANKSHA MISHRA

**Department:**

Department of CSE & IT

**Designation:**

Assistant Professor

**Email:**

akanksha.mishra@svmit.ac.in

## Summary

---

Akanksha Mishra is teaching in SVM Institute of Technology from last 7 years. She has taught various subjects like Data Structures, Database Management Systems, Data Mining, Big Data Analytics etc. My research domain is “Data Mining” precisely – “Web Mining”. There are multiple research based applications where mining tools and techniques are precisely applied to overcome the limitations of existing scenario. Basically my work encompasses over “Link Spam Detection using Graph Mining”.

## Skill Highlights

---

- Writing and Interpersonal Skills
- Passion for Teaching
- Engaging with Students
- Creative design
- Innovative
- Service-focused

## Experience

---

**Assistant Professor:** September 2014 to Present

**Academic Responsibilities**

- Institute Website Co-coordinator
- Design Engineering Coordinator
- 100 Points Activity Coordinator

## Education

---

Master of Engineering: **Computer Science and Engineering**– Parul Institute of Engineering and Technology, Waghodia (GTU)

Bachelor of Engineering: **Information Technology**–SVM Institute of Technology, Bharuch (GTU)

## Area of Interest

---

Big Data Analytics

Database Management Systems

Data Structures

## Addition Information

---
