

PALAK TRIVEDI

(M.Tech Chemical)

Department:
Department of Chemical Engineering
Designation:
Assistant Professor
Email:
palak.trivedi@svmit.ac.in

Summary

Palak Trivedi is teaching in SVM Institute of Technology for 15 years. She has taught various subjects like Process Equipment Design, Chemical Engineering Thermodynamics, Unit Process & Chemical Technology etc.

Skill Highlights

- Communication
- Strong decision maker
- Problem solving abilities
- Focus and Dedication

Experience

Assistant Professor: July 2007 till date

Academic Responsibilities

- Department GIC member
- Department Hackathon member
- Class Coordinator
- GTU Examination
- Institute admission committee member

Education

Master of Engineering: **M.Tech Chemical Engineering** – SVNIT, Surat

Bachelor of Engineering: **Chemical Engineering** – SVMIT, Bharuch

Area of Interest

Equipment Design

Process Design

Chemical Engineering Thermodynamics

Separation Processes

Corrosion Prevention and Control

Addition Information

No. Of Research Paper Published in International Journal – 2 STTP Attended – 7

International Conference Publication – 2 One day workshop - 2
