

Dr. Dipak Deore (Ph.D.)

Department:
Department of Chemical Engineering
Designation:
Associate Professor
Email: dipak.deore@svmit.ac.in

Summary

Dr. Dipak Deore, Ph.D in Chemical Engineering, Associate Professor of Chemical Engineering at Shri S'ad Vidya Manal Institute of Technology, Bharuch. Having expertise in corrosion management and prevention with professional certification of Coating Inspection Program Level-I, National Association of Corrosion Engineers (NACE-I Certification). Having total 20 years of experience in Academics, Research and Development and in Industry.

Skill Highlights

- Coating and corrosion inspection
- Water soluble polymers
- Water treatment
- Innovative thinking

Experience

Assistant Professor: March 2011 to Dec. 2013

Associate Professor: Dec 2013 to Present

Academic Responsibilities

- SSIP Coordinator
- In-charge Principal
- Head of the Department
- Training and placement officer

Education

Ph.D.: **Chemical Engineering**—Dr. Baba saheb Ambedkar Marathwada University, Aurangabad

Bachelor of Engineering: **Chemical Engineering**—SSBT College of Engineering and Technology

Diploma: **Chemical Engineering**—SSBT College of Engineering and Technology

Area of Interest

Plant Design & Project Engineering

Industrial Coating Maintenance

Antiscalaling agents in Heat Exchangers &
Boilers
